

WINE ON THE WALL

STAINLESS STEEL WINE RACKS

SPACE SAVER

Wine On the Wall sleek design allows you to display your wine without taking up space on counter tops or floors.

SLEEK DESIGN

Wine On the Wall stainless steel wine racks aren't bulky like wooden racks and won't stain wine labels.

HIGH QUALITY

Our high quality wine racks offer simplicity and durability. It's also a unique way to display and store wine.

Whether you are looking for a 12 bottle wine rack or 15,000 bottle wine cellar, Wine On the Wall can fit your needs. We offer FREE design consultations and manufacture for small spaces, as well as large cellars; for both residential and commercial markets.

Design your own wine cellar! Our professional design services will help you create your unique Wine On the Wall storage from consult to design and installation of your wine racks.

WOW your guests when they see your practical and stylish wine rack. Whether you require a single twelve-bottle rack or an entire room, we have the design solution for you. Call 888-258-7015 today for a free quote!
